QVM BULLETIN: Q-323 DATE: 11 / Aug, 2020

Super-Duty Max-Width Exterior Mirrors (for 102” Upfit Bodies)

REVISION	UPDATE	REVISION DATE
Q-323	INITIAL RELEASE	11 Aug, 2020

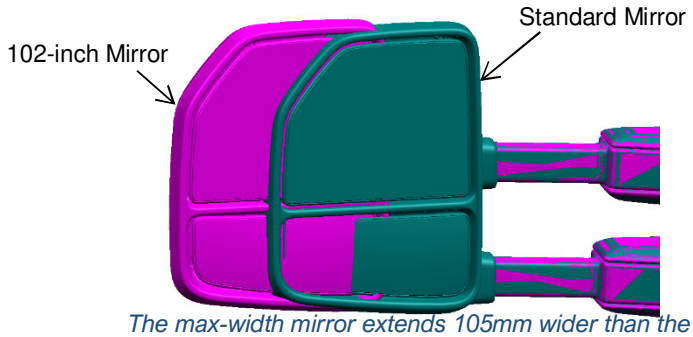
MODEL(S) AFFECTED:
2017 – 2022 Super-Duty (Chassis Cab Only) – Order Guide Code 54L
2015 – 2020 F-150 (retrofit only, depending on original-build mirror type)

ISSUE / DESCRIPTION:
Maximum-width exterior mirrors are now available on Super-Duty chassis cab trucks (limited to Regular Cab only). These mirrors provide extended visibility beyond that provided by the current standard-width exterior mirrors, making them ideal for upfit bodies up to 102” wide. These 102” mirrors can be retrofitted onto Super-Duty trucks back through MY2017. They may also be retrofitted onto some F-150 trucks MY2015 – 2020 (where compatible with the harness of the vehicle’s original mirror content) – an adapter harness may be required (service part # JL3Z – 14A411 – B*).

102” Mirror Features (Order Guide Code 54L)
- Manually Telescoping / Manual Folding
- Electrically Adjustable Glass
- Heated Glass
- Integral Amber Turn Signal
- Integral Amber Clearance Lamps
- Integral Camp Light (forward-facing)

Ford Service Part Numbers
RH: LC3Z – 17682 – A*
LH: LC3Z – 17683 – A*

* See Ford dealer for latest part level.



The max-width mirror extends 105mm wider than the standard Super-Duty mirror (both fully extended).

Refer to the Body Builder Layout Book for additional guidelines and recommendations. If you have any questions, please contact the Ford Body Builders Advisory Service as shown in the header of this bulletin.
